About midway in the day, a "buisness break". Subjects to be discussed are Field Trips, St. Hilaire in particular; finance, and Insurance renewal, etc. We would like to arrange at least two trips to the Demix Quarry, and will try for dates most convenient for the most people.

Bring along the Mics and some goodies. We may as well Have some fun while we're at it.

The Lab is on the 4th floor, and the elevator will probably not be available. Take it easy, and if anyone needs a little help, they'll have it, surely.

There are several eateries in the neighborhood; on bring along a lunch. Hal will have a large pot of coffee going.
