

MICROMOUNTERS OF NEW ENGLAND

To be sure, it's something of a gamble with the weather, but here goes. Our next regular meeting will be held at the Massachusetts 4H Center in Ashland. Saturday, Feb. 14th, from 10AM untill 4PM. The accommodation is fine, and we hope enough of the membership can come and make it worth while.

Yearly dues of \$4.00 a head are welcome anytime now. They can be brought to the meeting, or sent to Ralph Carr Jr. at 25 Farnum Rd., Warwick, R.I. 02888. As agreed at the last meeting, those new members who paid initiation fees last year are paid up through 1976. If intentions can be credited, there will be a new up-to-date membership list with the next Newsletter.

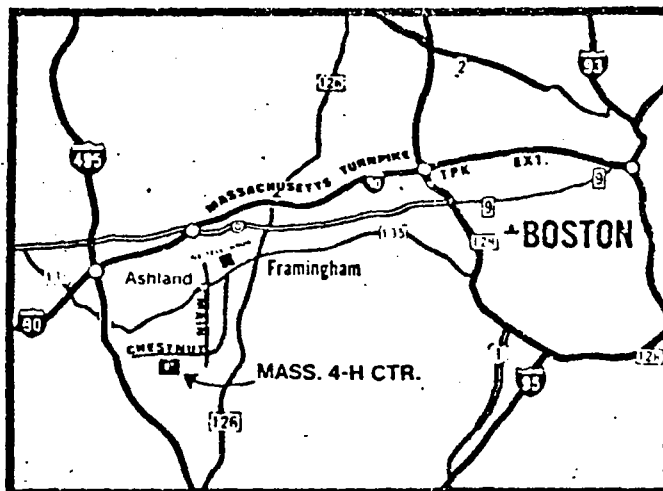

An early announcement:- Our members are invited to take an unofficial part in the Annual Show of the Boston Mineral Club. Come either day or both, at whatever time is convenient. There will be someone around to chat with, compare notes, specimens, or whatever. Bring along your unknowns. It could help already.

MASSACHUSETTS 4-H CENTER
MASSACHUSETTS 4-H FOUNDATION, INC.
466 Chestnut Street
Ashland, Massachusetts 01721
(617) 881-1243

There are restaurants nearby,
