## July 14 and 15, 1979 Weekend in New Hampshire

Once again we will have our summer meeting at the Reiner's, on the shores of beautiful Lake Winnepesaukee, and collect the following day at the Palermo Mine in North Groton. Bring your scopes, chairs, and folding tables and discuss minerals and what was found by some of our members on the New Haven Club's trip to St. Hilaire and Francon in June.

The Nominating Committee has selected the same officers for a second one year term. Elections will be held at the July 14 Meeting.
