

MICROMOUNTERS OF NEW ENGLAND

The next regular meeting will take place at Boston University on Saturday, June 5, from 10:00 A.M. to 4:00 P.M.. A special thank you is extended to John Stewart for making the arrangements. Items of importance, to be discussed, include the election of Club Officers and a schedule setup for the micromounters area at the Federation Show in Topsfield. As you may remember the Club voted to participate in the show by having someone in the micromounters area at all times. This should be a great opportunity to swap with other micromounters from across the continent. Directions to Boston University are shown on the enclosed map. Once you get to the parking lot be sure to ask the attendant for a guest ticket for the Geology Department, otherwise it will cost \$1.00. The building is to the left and we are on the bottom floor. The museum will also be open.

The schedule for the summer is as follows:

- June 5th. Regular Meeting - Boston University.
- July 16,17,18 Federation Show - Topsfield, Mass.
A semi-private room will be provided for micromounters.
- July 31-Aug.1 Palermo Mine on Saturday, then to John and Martha Reiner's on Sunday.
- August 21-22 Sunapee Show and its micromount area with the Capitol Mineral Club.

John Anderson 617-668-2008
Vice-President
