

MICROMOUNTERS OF NEW ENGLAND

The next meeting will be held on Saturday, November 16, 1974, at the Worcester County Extension Building from 10 AM to 4 PM. Nomination of officers will be held. Election at the following meeting and the new officers will take over "officially" at the expiration of our present insurance coverage. Janet Cares has available for sale a Unitron Binocular Microscope and Lamp. Objectives are 2X and 4X and oculars are 5X and 15X. It will be sold to the highest bidder at the next meeting. Several Dana books may also be available. Ted will work up a talk on Tools and Techniques for Micromount Mineral Identification.
