NEWSLETTER #51

OCTOBER 24, 1979

The home of Gerry and Bill Lindeyer will be the location of our next regular meeting on Saturday, November 10, 1979. It would be convenient if a few members could bring chairs. Food places in Granby consist of only a pizza and sub shop. Other micromounters from Connecticut will be in attendance for the 10 a.m. meeting. For those interested in collecting, there are tentative plans for the Strickland Quarry or Thomaston Dam on Sunday. Monday may also be a holiday for some. The Lindeyers live at 24 Laurel Drive in Granby, Connecticut and can be reached at 1-203-653-6629. The following directions have been received for your use.

Traveling south on Route ^{291 AND} 91 down from the Mass Turnpike, take the Bradley Airport exit to Route 20 traveling 6 to 8 miles ~~past~~ ^{past to} railroad tracks. The second street on the right should be Laurel Drive. The last house on right on the dead end street.

AFTER RR
TRACKS

7.8.0

If you pass a brook on Route 20, you have gone too far and you should go back to Laurel Drive.

It is only 6 to 8 ^{MILES} ~~minutes~~ drive from Route 91.

We have been saddened by the death of O. Albert Johnson, founder and first President of the Rhode Island Mineral Hunters. He was also a member of our group. He was an irreplaceable mineral hunter.

Dues notices are included for those who have not paid for 1979. Please send \$4. to Ralph L. Carr, Jr., Treasurer.
