## NEXT MONTH:

Our November meeting will be **Saturday, November 12, 1994**, at the Auburn Public Library

October 1994

Newsletter #180

## **SPECIAL NOTICE:**

Contrary to what was published in the last bulletin, the next meeting of the MMNE will be **Sunday, October 16, 1994**, at the home of Forrest and Vera Fogg. We will not be having a program at this meeting. It might be nice to bring some food goodies to share with others, as well as your usual equipment.

(Ed Note: Because I have been having difficulty getting notices out to members, and because a replacement editor has not been secured, I want to make sure that everyone knows in advance about **November's** meeting, which will be **Saturday November 12, 1994** at the Auburn Public Library. (This will be the same weekend as the Worcester Club Show.)

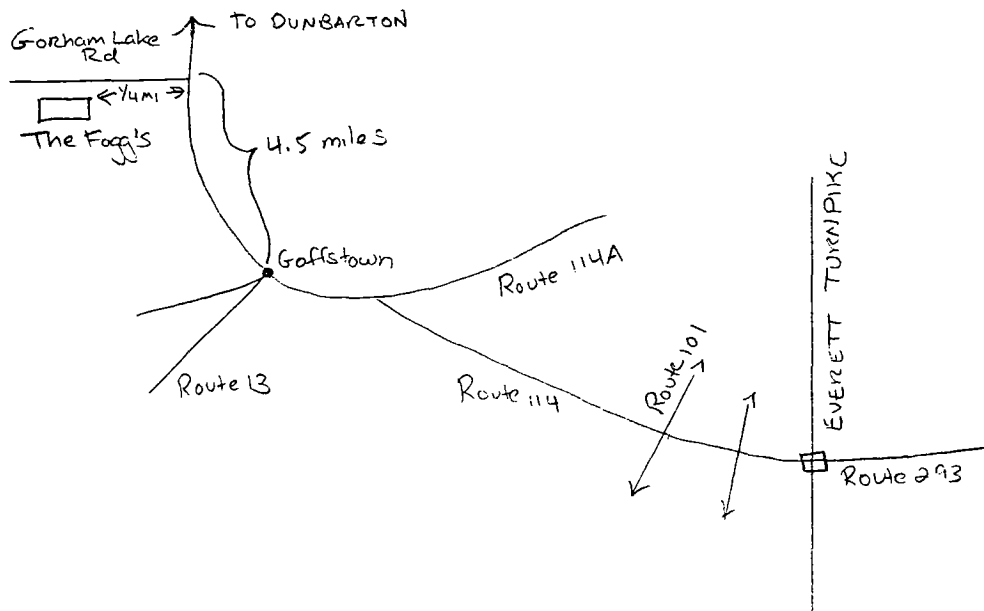

## Changes of Address:

Johannes Swarts  
RR 1 Box 274  
Norwich, VT 05055

Robert Brackley  
RR 3, Box 1534  
Wells, ME 04090-9583

## Correction:

In last month's bulletin, an article was submitted by Dana Morong. Unfortunately, the article implied that the instructor was male. (I guess I was typing too fast to try to get to the printer in time!) The instructor was in fact, Jo Laird. I am well aware that there are many women in the field of geology and mineralogy. (I know several of them.) I am sorry that this error occurred.

Not only can we anticipate higher postage in the near future, but also the post office is strongly requesting that all mail carry the zip + four mail code. Although a number of you have sent this code in with your membership renewals, some of you have not. Renewal time is coming shortly. Please, when you fill in your member slip slips, remember to include your full zip code for future mailing labels.
